EC-001 INTRODUCTION TO EMERGENCY COMMUNICATION CLASS & EXAM

HAVE YOU EVER WONDERED "WHAT IS A SERVED AGENCY?" WHAT IS ALL THE FUSS ABOUT MESSAGE HANDLING? OR WHY AMATEUR RADIO EMERGENCY OPERATORS NEED TO BE PART OF A STRUCTURED ORGANIZATION? THEN THIS IS THE COURSE FOR YOU!

This 16-hour course is led by ARRL Field Instructors. Upon successful completion of the four class sessions and exam, you will receive ARRL Continuing Education Program credit.

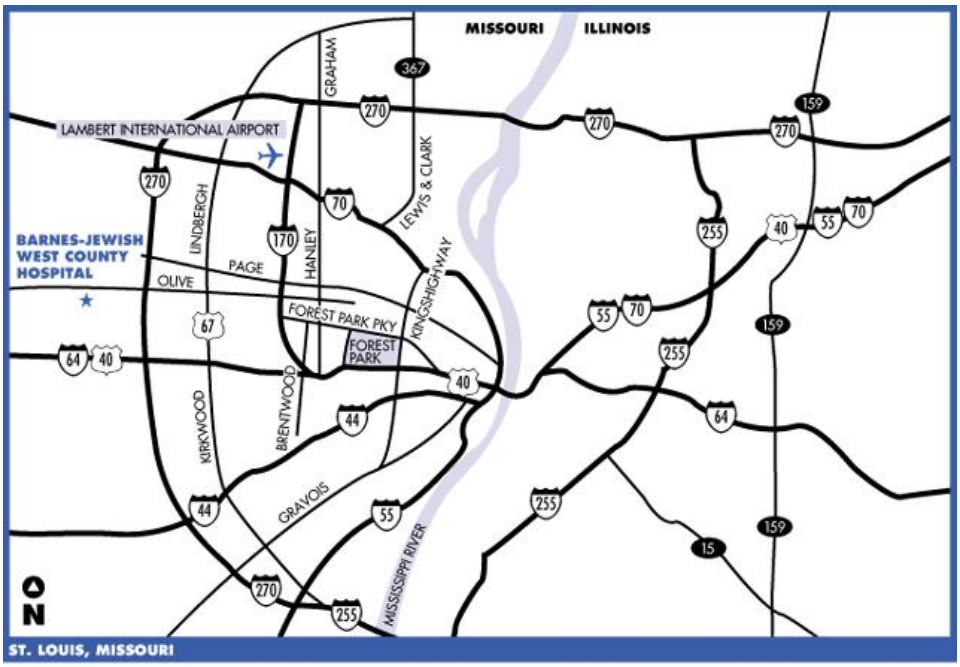
When:
Four classes each Saturday

Saturday, March 04
Saturday, March 11
Saturday, March 18
Saturday, March 25

Time(s):
Saturdays 8am – 12pm
Exam to be given on March 25th starting at 1pm.

Where:
Barnes-Jewish West County Hospital
12634 Olive Blvd.
St. Louis, Missouri 63141

Classes will be held in the Executive Dining Room off of the cafeteria in the lower level of the main building.



Prerequisites:
Before you begin the class, you should complete the following FEMA Home Study courses. These courses provide a foundation for the content of the class. Available online at: http://training.fema.gov/IS/NIMS.asp.

- ICS-100 (IS-100.B) Introduction to the Incident Command System, ICS-100
- IS -700 (IS-700.A) National Incident Management System (NIMS) An Introduction

Please obtain **"The ARRL Introduction to Emergency Communications - 4th Edition"** textbook prior to the first class (available at www.arrl.org).
